

AMENDED IN ASSEMBLY JANUARY 5, 2010

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

**ASSEMBLY BILL**

**No. 1155**

---

**Introduced by Assembly Member Audra Strickland**

February 27, 2009

---

An act to amend Section 21107.8 of the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1155, as amended, Audra Strickland. Vehicles: private parking facilities.

(1) Existing law authorizes a city or county, by ordinance or resolution, to find and declare that there are privately owned and maintained offstreet parking facilities within the city or county that are generally held open for use of the public for purposes of vehicular parking and requires, upon enactment of the ordinance or resolution, that specified traffic laws apply, including the basic speed law, reckless driving, and speed contests and exhibitions of speed, except as specified. A violation of the Vehicle Code is a crime.

This bill would make additional traffic laws enforceable on offstreet private parking facilities. By increasing the number of traffic laws that may be enforced on offstreet private parking facilities by local law enforcement officials, the bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
